Hello, everybody. My name is Joseph. Please look at the blackboard. J-o-s-e-p-h, Joseph. Do you know where I'm from? This is the flag of my country. The color is red and white, and you can see a moon and five stars. Do you know this country?

I'm very happy to study at a Japanese school.

I like taking photos. My father is a photographer, and he teaches me how to take good photos. Please have a look! This is a picture of my family. I took this photo. There are four of us in my family. My father, mother, my sister and me. My family likes sports. My parents play table tennis every weekend, and my sister, Olivia, likes swimming. And I'm on the badminton team.

Usually I speak English. I speak Chinese too, so I can read some kanji. But I cannot speak Japanese. Please help me with my studying Japanese.

Anyway, it's so nice to meet you, and *DOZO YOROSHIKU!*
